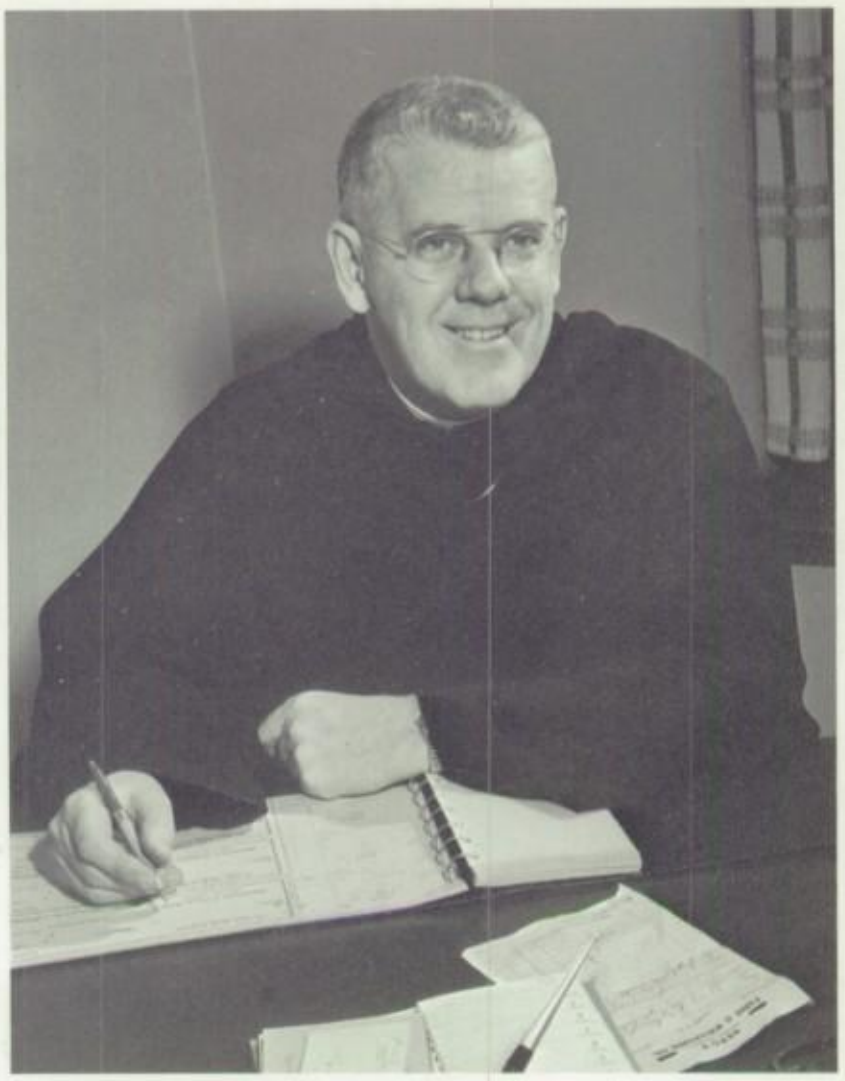
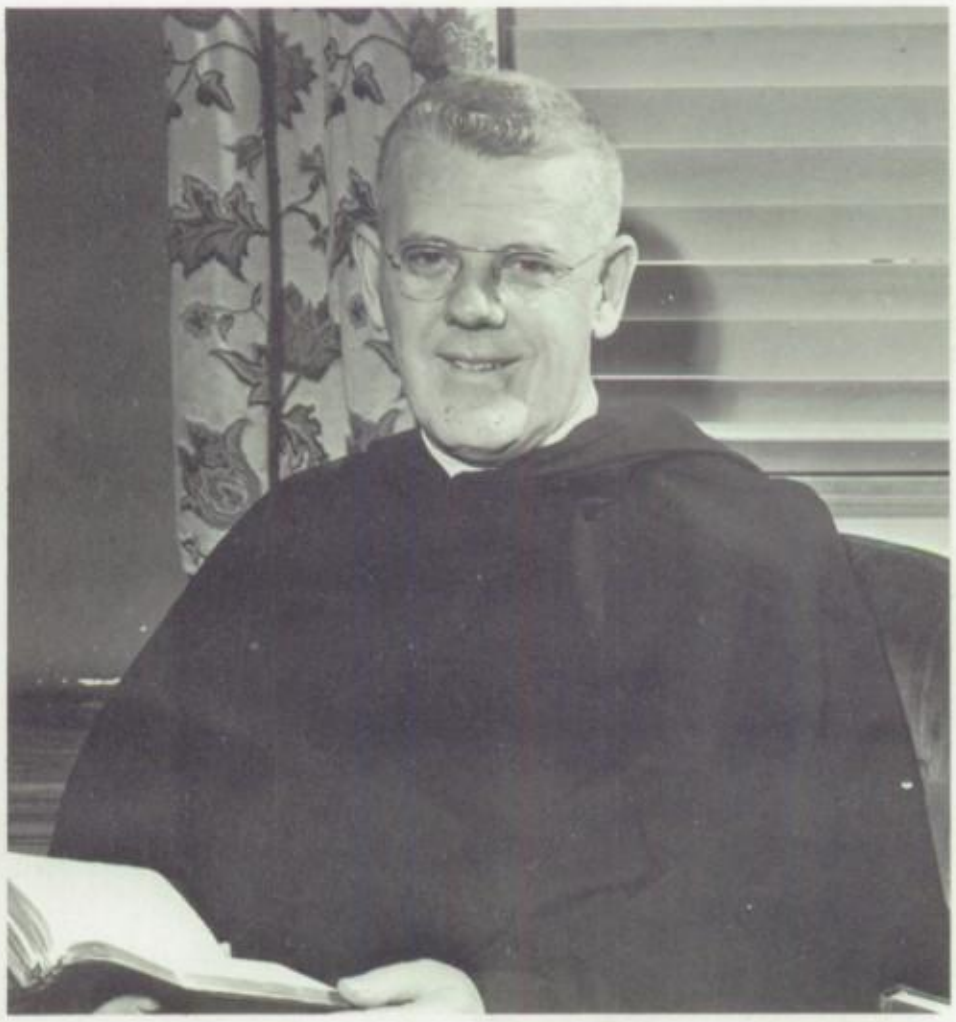
Twenty Years of Dedication



For the past two decades, the students of St. Rita High School have enjoyed Fr. Edmund Burke, O.S.A. as an excellent teacher and affable friend. Father was born and raised in Chicago. He entered the Augustinian seminary in 1930, and was ordained a priest on May 28, 1942. After doing graduate work for a year, he came to St. Rita's. He has taught in the mathematics, religion, and technical departments in the high school, but his main interest remains with mathematics.

After receiving his degree at Villanova University, Father did graduate work at Catholic University, Columbia Tech. and DeVry Institute. Since June, Father has been Procurator of St. Rita Monastery and High School.

Father Burke is remembered for the way he taught mechanical drawing and high school mathematics, especially algebra and trigonometry. Very few students will forget his charity, kindness, and exactness and knowledge of his teaching fields.



For twenty-one years, Father Burke has been an Augustinian priest. Those of us who know Father have been inspired by his example of a life dedicated to Christ and devoted to teaching.

Therefore, it is only fitting that we dedicate this Yearbook to Fr. Burke, who has spent his entire priesthood and teaching career here. Congratulations, Father, and God willing, many more fruitful years at St. Rita's.

"May the Holy Spirit Inspire Us"

On October 11,1962, the Second Vatican Council opened in Rome. Since the Holy Ghost plays an important role in the Ecumenical Council, it is only appropriate for to use the Seven Gifts of the Holy Ghost as our theme. These gifts are supernatural powers that are bestowed on our souls with sanctifying grace.

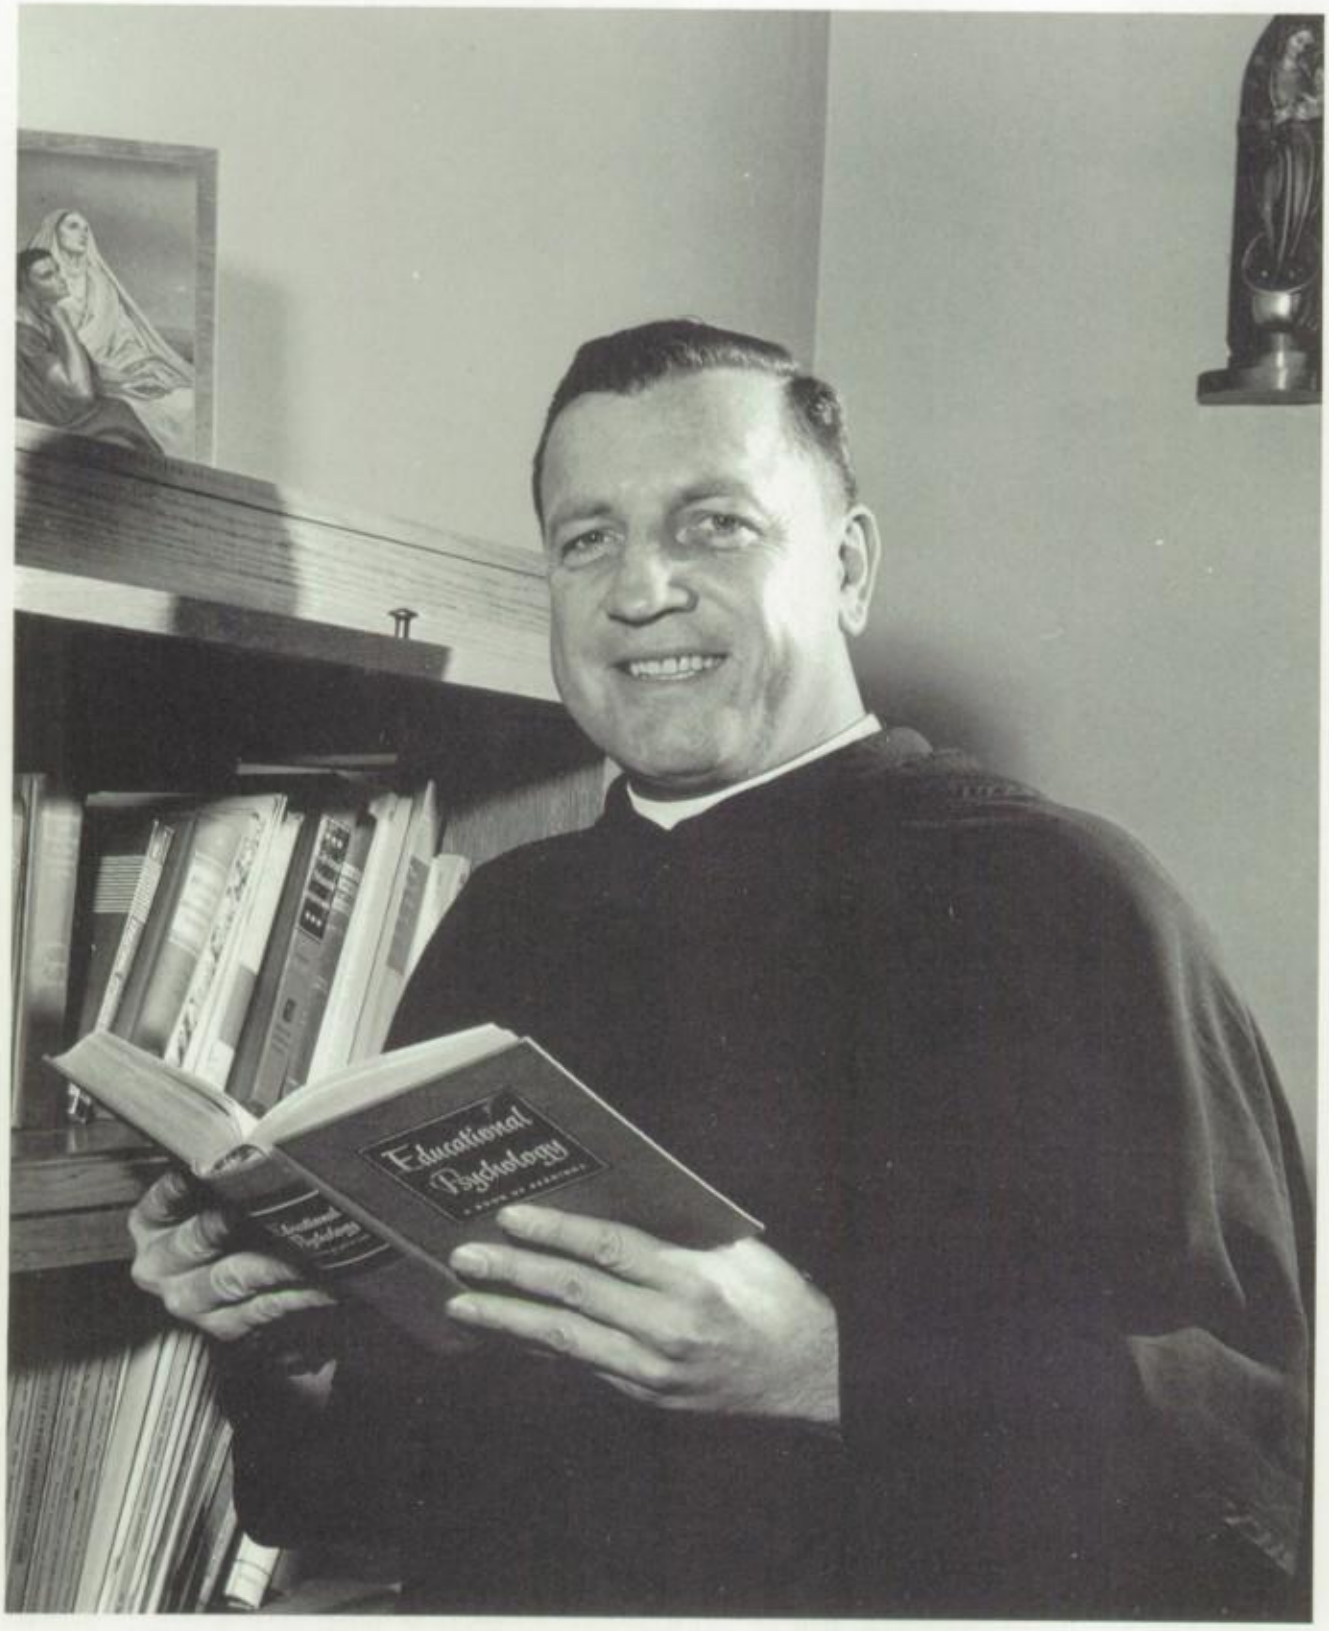
The Holy Ghost is represented by a dove. It was in that form that the Holy Ghost showed himself visibly when St. John baptized Jesus. The dove symbolizes gentleness and peace.

Fr. McArdle Returns As Prior of Augustinian Community

An old friend came back this year to serve as head of St. Rita Monastery. In the years from 1953-60, Fr. Henry McArdle, O.S.A. won our respect and admiration in the many services he performed for our student body. With fathomless energy and enthusiasm he served as teacher of mathematics and Spanish, as Student Counselor and as Band Moderator. He left us in 1960 to serve two years on the Mission Band.

In his capacity as Prior he has responsibility of supervising the spiritual and physical well being of the Augustinians who serve under him and to see to their daily assignments in the Monastery and in surrounding parishes. He also finds time to assist in our guidance department. We are most happy to be able to welcome Fr. McArdle back to St. Rita's.

Fr. Crawford Provides Leadership



A new spirit of vigor and enthusiasm overtook the school when Fr. Francis Crawford, O.S.A. assumed the office of Rector last September. Having been associated with the school for sixteen years, he is no stranger to the complexity of tasks that are his. Father's dynamic enthusiasm and keen administrative ability enables him to deal effectively with the manifold problems of directing the largest Catholic high school for boys in the Mid-West. Rita men, both of faculty and student body, have nothing but admiration and gratitude for the leadership he has provided.

Fr. Verstynen Encourages Scholastic Standards

In his second year in the office of Director of Studies, Fr. Robert Verstynen, O.S.A. continues to win the admiration and respect of the student body. Ever ready to assist teachers and students in their respective tasks, he is acclaimed for his genuine kindness and consideration. A man dedicated to the highest academic standards, Fr. Verstynen works tirelessly to encourage and help both faculty and students toward their goal.

David Kranson receives his ACT scores from Fr. Verstynen.

Fr. Thomas Emphasizes Training of the Will

One of the most difficult positions in the school is that of the Head Disciplinarian. Fr. William Thomas, O.S.A. was given this position this year after being Sophomore Student Counselor for many years. He has administered discipline in an exacting manner and at the same time with charity, kindness and justice. He has the assistance of four other Augustinian priests.

Helping students to solve their problems and stressing the training of the will, Father has proved himself to be wise and understanding.

Class Moderators Direct Student Activties

The Class Moderators, Fr. Verstynen (Senior), Fr. McDonnell (Sophomore), Fr. Cavanaugh (Junior), and Fr. Heyman (Freshman), take a little time for relaxation.

Fr. Cavanaugh, Fr. FitzGerald, and Fr. Follman gather together in Green Hall for a conference.

Gift of Wisdom

By the gift of Wisdom we have come to regard God and the knowledge of truth as of the highest good.

The new guidance department was opened last September with Fr. La Vern Flach, O.S.A. and Fr. John Burkhart, O.S.A. as Directors. Fr. Robert Verstynen, O.S.A. and Fr. Michael Hogan, O.S.A. are College Counsellors, who worked with the juniors and seniors. Fr. Robert Lawrence, O.S.A. and Fr. Donald Brennan, O.S.A., school chaplains, are spiritual directors. Fr. Donald Harkabus, O.S.A. is the Vocational Counsellor while Fr. John Peck, O.S.A. is the Activities Director. Also assisting these counsellors are Fr. Henry McArdle, O.S.A. and Fr. Gerard Theis, O.S.A.

Teachers of Religion Aim Instruction Towards Eternal Life

A sound Catholic training is the answer to the many problems that the modern man meets today. At St. Rita's a full four year religion course in the essentials of Catholic doctrine is given to prepare our boys for a Catholic life in modern society.

A St. Rita student must practice his religion by hearing Mass and receiving Communion frequently. He is to promote a devotion to his religious duties and to develop a sense of responsibility so that he may attain his final glory of future life.

Science Teachers Strive to Prepare Us for the Changing World

One of our most important departments in our school is the science department. Physics is essential to all students because of our ever-changing mechanical world which is entering the space age. Biology and chemistry are necessary for students contemplating a scientific career. Laboratory work in all these sciences is stressed, because the principles taught in the lecture are applied in the lab. In addition to these courses, general science is given to the freshmen and earth sciences to the seniors taking the general course.

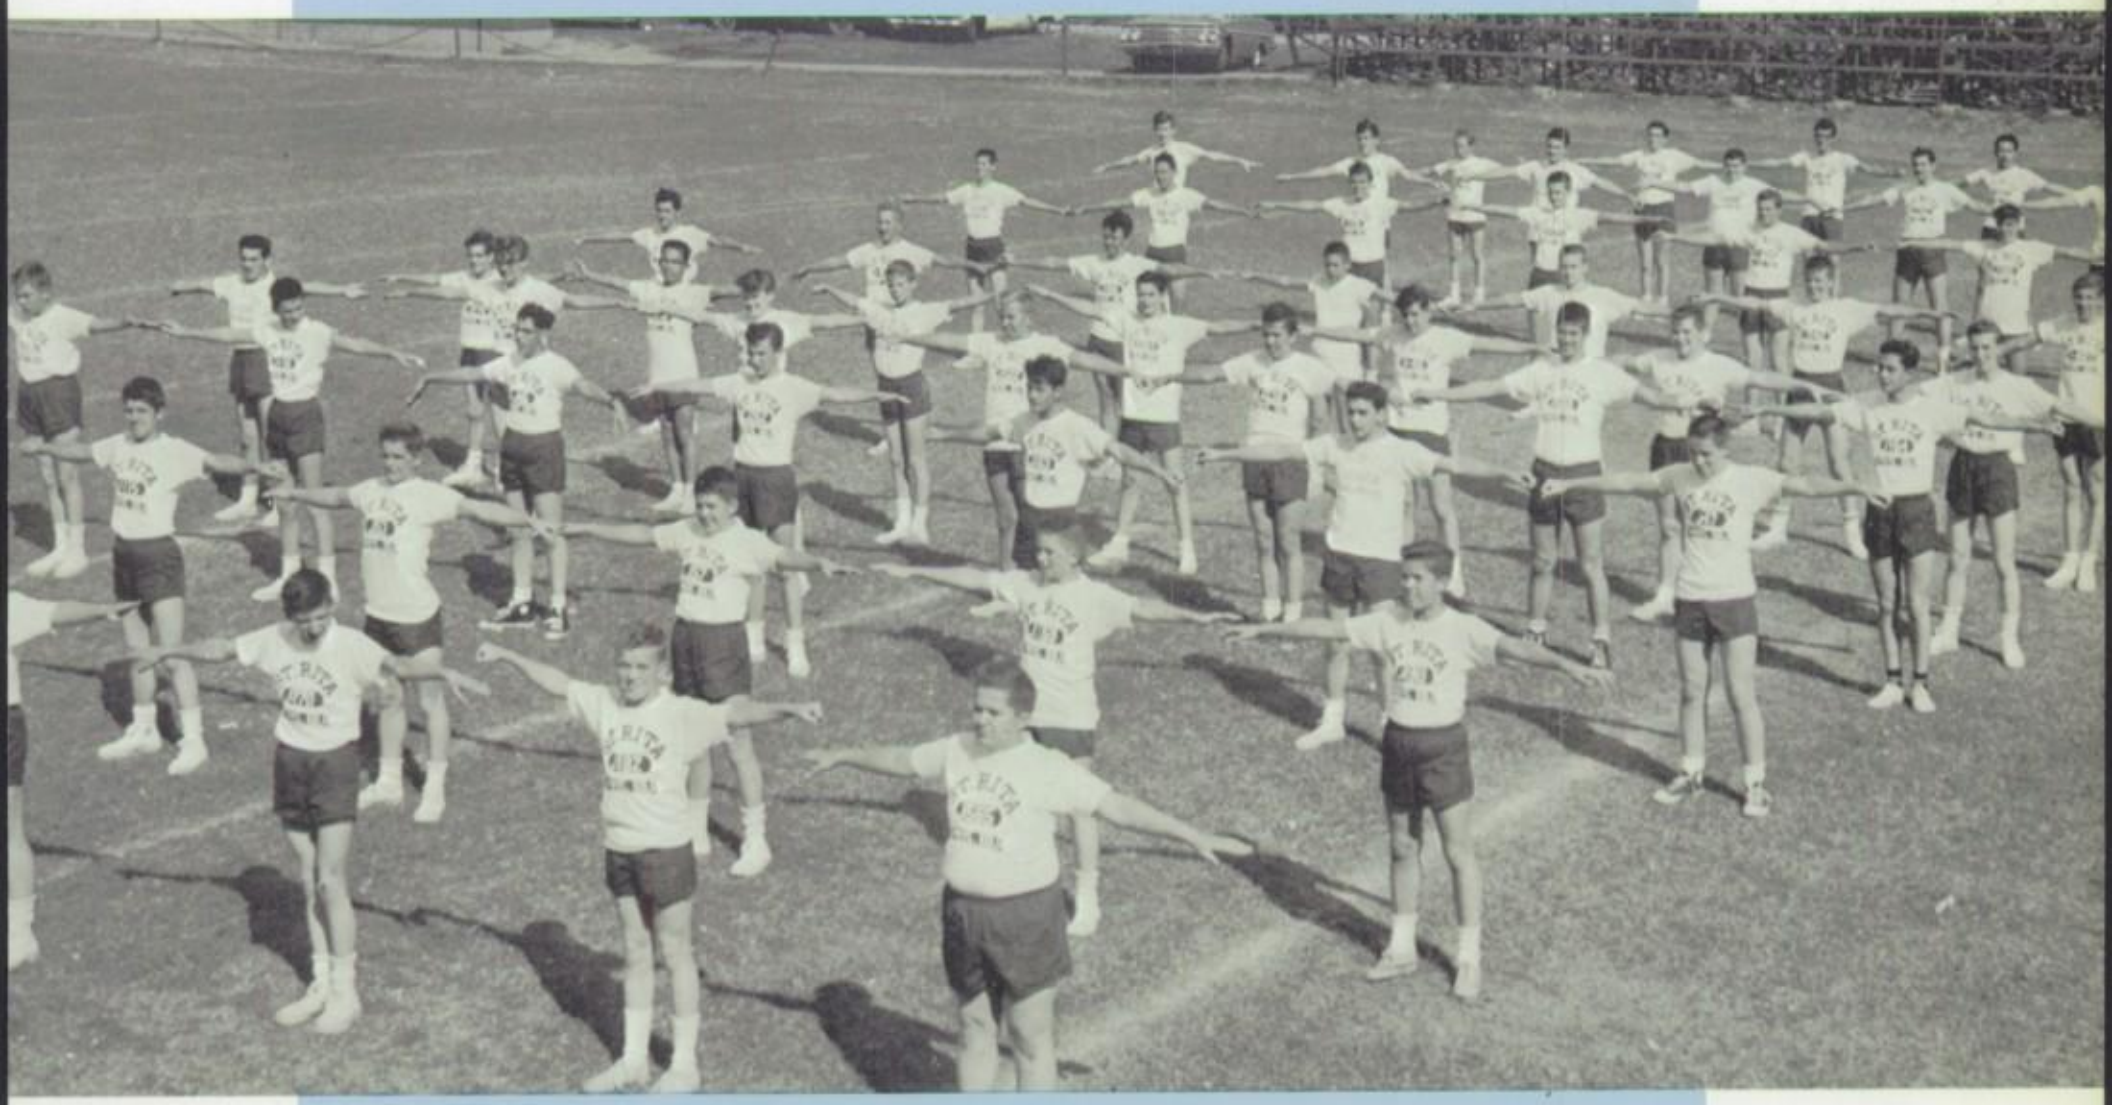
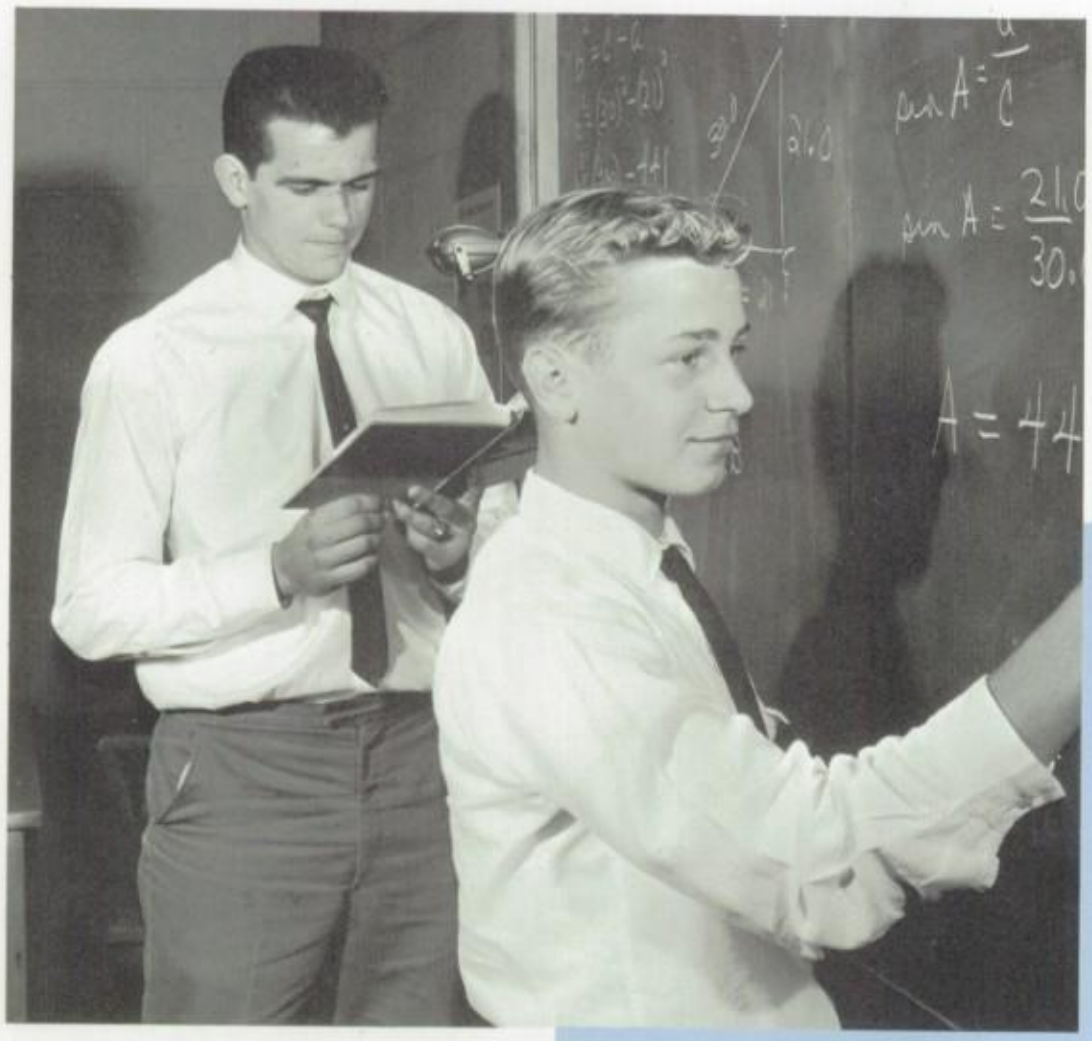
Physical Education Strengthens Boys Through Physical Fitness

Physical Education is an important part of our educational system. In addition to receiving a good education and acquiring religious ideals, a sound body must be developed. This is done in the gym class, which entails training in calisthenics and the learning of certain principles of sports.



Mr. Guzzo takes his gym class outdoors for calisthenics on a sunny September afternoon.

Students are Challenged by the Mathematics Department



Pat Labus and Dave Schneid try their skill on a Trig. problem.

Mathematics provides the necessary tools for the student's future careers in the physical sciences and engineering. It also trains him for precise and orderly thinking. The time spent on problems in algebra, geometry, and trigonometry also conditions him for greater future problems.

Knowing that the future is in the hands of the youth of today, a four year program is available for students who wish to prepare themselves for the many fields requiring mathematics.

History Department Gives a Presentation of the Past

It has been said that the acts of men are repetitious. If this statement is true — and history seems to prove that it is — what better way to prepare for the future than by studying its past.

Man delves into past events affecting nations, institutions, and sciences so that he may be able to understand himself and civilization about him. Our history department offers courses in history for all years and civics for the seniors.

English Teachers Develop in Us Skills of Reading, Writing, and Speaking

If we hope to enter a vocation that requires communication of any kind good English is a basic requirement. A man is respected for his good command of language.

The English Department endeavors to help the students to become proficient in their language so that they may be able to express themselves fully and communicate their thoughts and views to others through their speech and writing. No matter what our future work is we all need and use English.

Language Department Alerts Our Minds to New Horizons

Four languages are offered to the students of St. Rita. Spanish is offered for the careers in business; German is taught to those who have plans of entering professional careers in science and engineering. Latin is offered for those thinking of medicine, law or science. French, the fourth laguage, is new this year for the seniors. Language should not be looked upon as a drudgery and much drill, but as a key opening for us to new horizons.

Minds and Hands Work Together Under Guidance of Technical Department

The course if developing skills in our technical program is one of the best in the city. Guided by a staff of highly trained instructors, a student is able to gain preliminary training from the drawing board to practical applications. Courses, such as mechanical drawing and architectural drawing, woodshop, automotives, electricity and radio, enable the student to exercise his talents and gain a better understanding of the skills he has acquired.

Summer School Is Enjoyed by All?

For a period of eight weeks in July and August, St. Rita offers summer courses to those students who have a deficiency to make up or who wish to earn an extra credit. Academic, scientific, and business subjects, and also remedial courses in English, Reading, and Arithmetic are offered during the co-educational session.

Girls enjoy typing in Mr. Jeffery's class.

Refresher arithmetic is made interesting for Miss Smith, G. Kozer, and D. Lucas.

Seniors Receive Scholarship Awards

Sixteen seniors of St. Rita High School are among 6,000 semi-finalists in the Illinois State Scholarship Program. Their performance in the American College Testing Program indicated academic potential for higher education and gave them the opportunity to apply for a scholarship. This scholarship can provide up to $600 per year for students attending Illinois colleges and universities.

Two St. Rita seniors, H. Aument and B. Augustyniak, have also been notified that they are National Merit Finalists. This places them among fewer than 11,000 students, one-half of one percent of about two and a quarter million secondary school seniors throughout the nation. These finalists will receive a minimum scholarship of $100 per year, and possibly a great deal more. This is the first time that any senior from our school has won this distinction.

In Memoriam

On December 14, 1962, the Freshman class lost a young man of great potential, Steven Neakrase. So short a time was he here, and so quiet in his determination to succeed, that few students got to know him well. But those who did know him, in school work and in sickness, knew a man of admirable and cheerful patience and kindness. In the words of the Book of Wisdom, "Being made perfect in a short space of time, he fulfilled a long time: for his soul pleased God; therefore God hurried to bring him out of the midst of sinners."

Stephen was born on March 25, 1948, the son of Richard and Dorothy Neakrase of 6319 South Wood Avenue. He graduated from St. Theodore's grammar school.

Published monthly with the exception of January, the *Ritan* keeps the students up to date on school news.

The *Ritan* is a well rounded publication giving the student a full report on school events and activities. This year's exceptionally large staff of over fifty students is under the supervision of the new moderator, Mr. D. Racky, and coordinated by Editors-in-Chief Michael Brennan, and Wayman Merrill. The various aspects of the news are directed by assistant editors: Wayne Mraz, News Editor; John Kazmierowski, Feature Editor; Evan Rolek, Items Editor; and Barry Dyke, Sports Editor.

This year's staff has concentrated on trying to improve the physical layout of the paper and to put more emphasis on news of future events. It is hoped that these steps towards improvement will help the *Ritan* advance even above last year's "Second Honors" rating given to the paper by the National Scholastic Press Association.

The nucleus of the Ritan, Mr. Racky, moderator of the Ritan, with the aid of the senior editors produces a very informative and interesting paper for the school in every edition. *FRONT ROW:* W. Merrill, Mr. D. Racky, M. Brennan. *BACK ROW:* B. Dyke, J. Kazmierowski, E. Rolek, R. Ozga, W. Mraz.

Cascian Portrays School Year

Under the direction of Fr. La Vern Flach, O.S.A., the CASCIAN received a First Class Honor rating from the National Scholastic Press Association at the University of Minnesota and the All Catholic Yearbook of Distinction rating from the Catholic School Press Association at Marquette University. Through the efforts of the yearbook class which is learning the principles of yearbook design, the staff is looking forward to an even more successful year.

The purpose of the Cascian is to gather all the memorable events of the current school year and combine them into one issue. Many years after graduation we hope to be able to page through our old yearbooks and recall our friends, long forgotten. It is the Cascian, we sincerely believe, that paints a true picture of St. Rita's.

The Student Council, under the direction of their new moderator, Fr. John J. Peck, O.S.A., works hard to keep school spirit alive. The Student Council is made up of the Presidents of each section and the Class Presidents. These men took a helping hand in such projects as supporting the Missions and the raffle, planning Homecoming Weekend affairs, ushering basketball games, and helping Fr. J. J. O'Malley, O.S.A., in his dances.

The Student Council ran their own dance which helped to support the Augustinian Japanese Missions. One of the chief aims of the Council is to hold elections in early May to determine next year's Student Senate.

The main purpose of the Student Council is to develop school spirit in the student body through the leaders of the student body — a purpose which was fulfilled very well.

Band Captures Two First Prizes

The Saint Rita High School Band has three versatile sections. The First is the marching band. A recent victory was winning first prize at Michigan City, Indiana and another first prize at Lemont, Illinois. Both contests were won during the summer of '62. This band is also a favorite at half-time and various school and civic activities.

The second section consists of the concert players. They presented the Annual Spring Music Festival at Bogan H.S. Auditorium.

The third section is the "swing band" which plays at numerous sports and social activities at Saint Rita High School. They also receive requests to play at assembly meetings and other functions at many Chicago high schools. This year they also presented a Jazz Concert.

Under the spiritual guidance of Fr. John Peck, O.S.A., the Moderator, and the continued capable direction of Mr. Mr. Louis Ricci, the Rita band makes every "Rita man" proud to be a part of the student body.

Library Aides Ready, Willing to Assist

Every school day from 9 a.m. to 4:30 p.m. the student library aides, when not in class, are in the library ready to assist the students in finding books and magazines. In addition to this, every two weeks the aides have meetings at which Fr. Derby teaches library techniques.

The officers of the club this year are: Vacys Saulys, president; Warner Smith, Vice President; Remigijus Poskocimas, Recording Secretary; and Anthony Tonic, Public Relations. Honor Society Displays Scholarship and Service

The most outstanding upperclassmen make up the St. Rita Chapter of the National Honor Society. These men under the very capable leadership of Fr. John FitzGerald, O.S.A., strive to fulfill their motto of "Scholarship and Service."

The requirements for entrance into the Society are a "B" average and participation in at least one extra-curricular activity. These are the minimum requirements; most of the members of the Society are excellent scholars and are the backbone of the school's many activities. Juniors are admitted as associate members and become full members in their senior year.

The Society supports many programs aimed at improving the community. The members contributed to the Back of the Yards Christmas Fund and aided the Service Club in the annual Christmas party for underprivileged children.

The current officers are Frank Pavlica, President; Harry Aument, Recording Secretary; David Kwinn, Corresponding Secretary; and Donald Peszynski, Treasurer.

Radio Club Enhances the Study of Electronics

The Radio Club was founded under the leadership of Fr. Casimir Pazera, O.S.A., in October of 1961. The Club started with only fourteen members, but through the conscientious efforts of the members and moderator, the membership has increased.

One of the major accomplishments has been the acquisition of a "Club Station License," call letters WA9DNK. An equally important event that goes with the license was the operating schedule which was inaugurated last November. According to schedule, the Club operates from 3 to 5 P.M., Monday through Thursday. The operators are Mel Drozs, Chuck Pilipauskas, Ray Raece, and Evan Rolek.

The Club is open to all those who have an interest in electronics and who wish to learn any aspect of electronics.

New Moderators Lead Debate Team On to Victory

St. Rita is proud to maintain a debate team which competes in city and state wide competition. In order to do well in debating with schools from the city, suburbs, and nearby states, the team practices at least three or four times a month. This year, aside from practice debates, our school was represented in twelve tournaments. The Chicago and Midwest leagues to which we belong break up the tournaments into Junior and Senior catagories so that no team will debate in more than six or seven tournaments in a season. The topic for this year was "The United States should promote a Common Market for the Western Hemisphere."

This year the hard work of new moderators, Mr. J. McClure and Mr. R. Ruby, paid substantial dividends in the team's record. The largest debate tournament ever held was at St. Rita this year, and our team of Harry Aument and Richard Bonkowski won speakers trophies and the second place trophy for the school. They were assisted by Bruce Augustyniak and Roman Lopatynski, who also had a very good record. In another Midwest tournament this year, our team also won second.

Articulate Speakers Bring Honor to the School

Another intellectual activity at St. Rita is the forensics team. This team belongs to the Chicago Catholic Forensics League and the Midwest Catholic Speech League. During the season their were eight tournaments in which the team participated. The team travels about the city and nearby states to deliver original, humorous, nonoriginal, dramatic and extempore speeches.

A particularly successful member of the team this year was extempore speaker David Kwinn, who won second place at a Midwest tournament, second at an invitational tournament in Detroit, and third place in the Chicago city finals. By winning in the finals, he qualifies to enter the National Catholic Grand Tournament to be held in Pittsburgh in May. This is the fourth year that St. Rita has qualified men for this tournament, and the second year that Mr. Kwinn has qualified.

Under the direction of Mr. McClure, this has been a successful year for the team, and it looks to greater horizons in the next season.

Y.C.S. Gives a Guide Towards Better Living

With its three-fold motto of "observe, judge, act," the Y.C.S. (Young Christians Students) group of Saint Rita High School aims towards these goals during their weekly meetings. The society tries to develop in its members a clearer view of the way students should live their daily lives.

Through informal, but directed group discussion, the members reach an evaluation of certain aspects of student activity in school, home, and neighborhood. Discussed are such things as jobs, dating, study time, books, cars, college, house chores, excessive parental control, helping and encouraging slow students.

Members formulate a small but specific activity that each one can do in order to change, however slightly — but positively — the pattern of living examined that week. Attempting to stay clear of traditional solutions and trying to see and appreciate the many sides of each problem, the Y.C.S. group is able to avoid a stale, false, "Holier-than-thou" attitude and is able vigorously "to light one candle rather than curse the darkness."

Formed three years ago by Father James Murphy, O.S.A., the Y.C.S. group is moderated by Mr. Donald Racky. President of the group is Wayne Mraz; Vice-President is Dan Morgan; Secretary is Carl Pawlowski; Treasurer is Den Zambo. Although the group is made up of less than ten students, members feel that the group is quite successful. Too many members would bring a need of extra regulations and would hinder the continuous flow of natural and informal discussion.

For God and Country Is Characterized by Patriotic Study and Action

"For God and Country" is a group which was formed in February of 1960. Its purposes are to promote education and action in order to preserve American freedom, our free enterprise system, and to oppose socialism and Communism.

Under the direction of Father John Beretta, O.S.A., the executive committee is headed by Thomas McGowan of section 3—M. This organization sponsored and directed a series of seminars, speeches and films on Americanism and Communism, with the co-operation of the South Side Citizens Committee, a similar public action organization.

Under the spiritual guidance of the Rev. Martin Sobiesk, O.S.A., this association designs and sponsors many school events during the year. Such activities include the annual Alumni-Varsity Basketball Game, the Basketball Award Dinner, and the Alumni Association Banquet, the Scholarship Fund, and several school dances.

This year, the Alumni Association Banquet, as the most important event of the year, was held at the Brainerd Club located at 88th and Ashland Avenue. The dinner was highlighted by the principal speaker, Daniel Ward, the State Attorney of Illinois.

Laborers of Love

The Mothers Club, one of the chief fund-raising organizations of the school, is moderated by Fr. Edward Andrews, O.S.A., who is assisted by Fr. Roland Follman, O.S.A.

The officers of the Mothers Club are Mrs. Thomas Barrett, President; Mrs. Joseph Smith, Vice-President; Mrs. Merle Redmond, Recording Secretary; Mrs. Robert Zeeb, Corresponding Secretary; Mrs. George Gomoll, Financial Secretary; and Mrs. Charles Marczewski, Treasurer.

The Mothers Club has the philosophy that "Where there is love, there is no labor, or if there is labor, it is a labor of love."

Besides the regular meetings which are held on the second Tuesday of each month, these events took place this year: a film entitled "Pages of Death," Get-Acquainted Night, Style Show, the faculty Christmas party, the Class party, Sweetheart Night, Past Presidents Party, the reception for freshman parents, tours, Chain-O-Rama Finale, Day of Recollection, Living Stations, Evening of Recollection, and a procession in honor of St. Rita.

The goal of all of these functions is singular — the improvement of St. Rita High School in every way.

This year the hardy group of Paul Warren, Rich Ozga, Clyde Ruble, Larry Heider, Thomas Kwiatkowski, Greg Waisnoras, and John Kazmierowski have proved its effectiveness. This is easily observed in the amount of cheering the student body has produced at the football and basketball games. The winning records of both teams are a testimonial to the spirited student backing.

At each game the cheerleaders gathered in the center of the crowd, creating a nucleus around which all other cheering revolves.

A Look at a Spirited New Organization

The St. Rita High School Letterman's Club, which is moderated by Fr. J. J. O'Malley, O.S.A. and under the leadership of Tom O'Grady and Bill Daly, has been a success in its first year of existence. Also in the club are nine committee men who help draw up the plans for its activities. They sponsor and organize activities to support the school when necessary. The Letterman's Club has helped the Missions and promoted a great deal of spirit throughout the school. By the leadership of the lettermen, fine cheering has been produced throughout the year and has built up a strong fighting spirit in the students of St. Rita. Anyone who has received a major letter in one or more sports is invited to join.

Mustang Homecoming a Gala Affair

The annual homecoming was held on the weekend of October 28. The climax of the unforgettable weekend was the victory of our championship team over Brother Rice. This game was preceded by the selection of the queen by Fr. Peck and Fr. Sobiesk. They were selected from among the numberless pictures submitted by the seniors of the school. All of the students showed their enthusiasm by building the floats which were used in the pre-game parade. The many memorable events of this day will be one of the highlights of this school year.

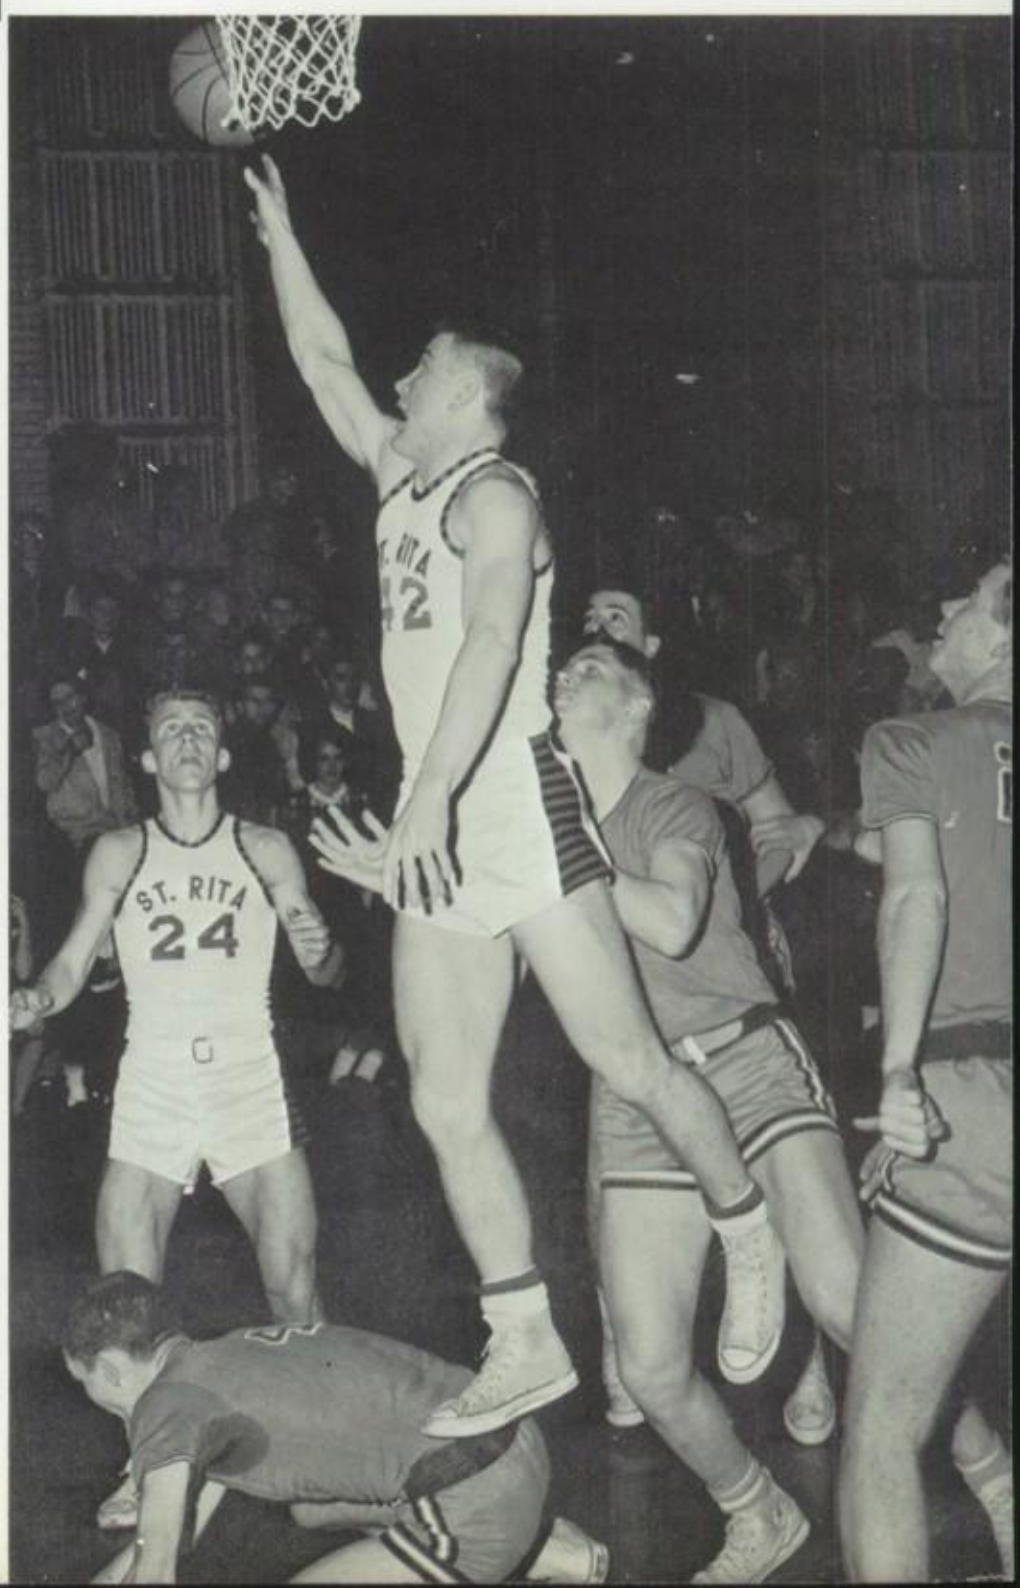
The Mustangs hit the century mark in this one-sided contest as Bill Daly single-handedly defeated the Leo Lions. Daly drove over, under, around, and through the Leo defense on his way to a new Catholic scoring record of 57 pts.

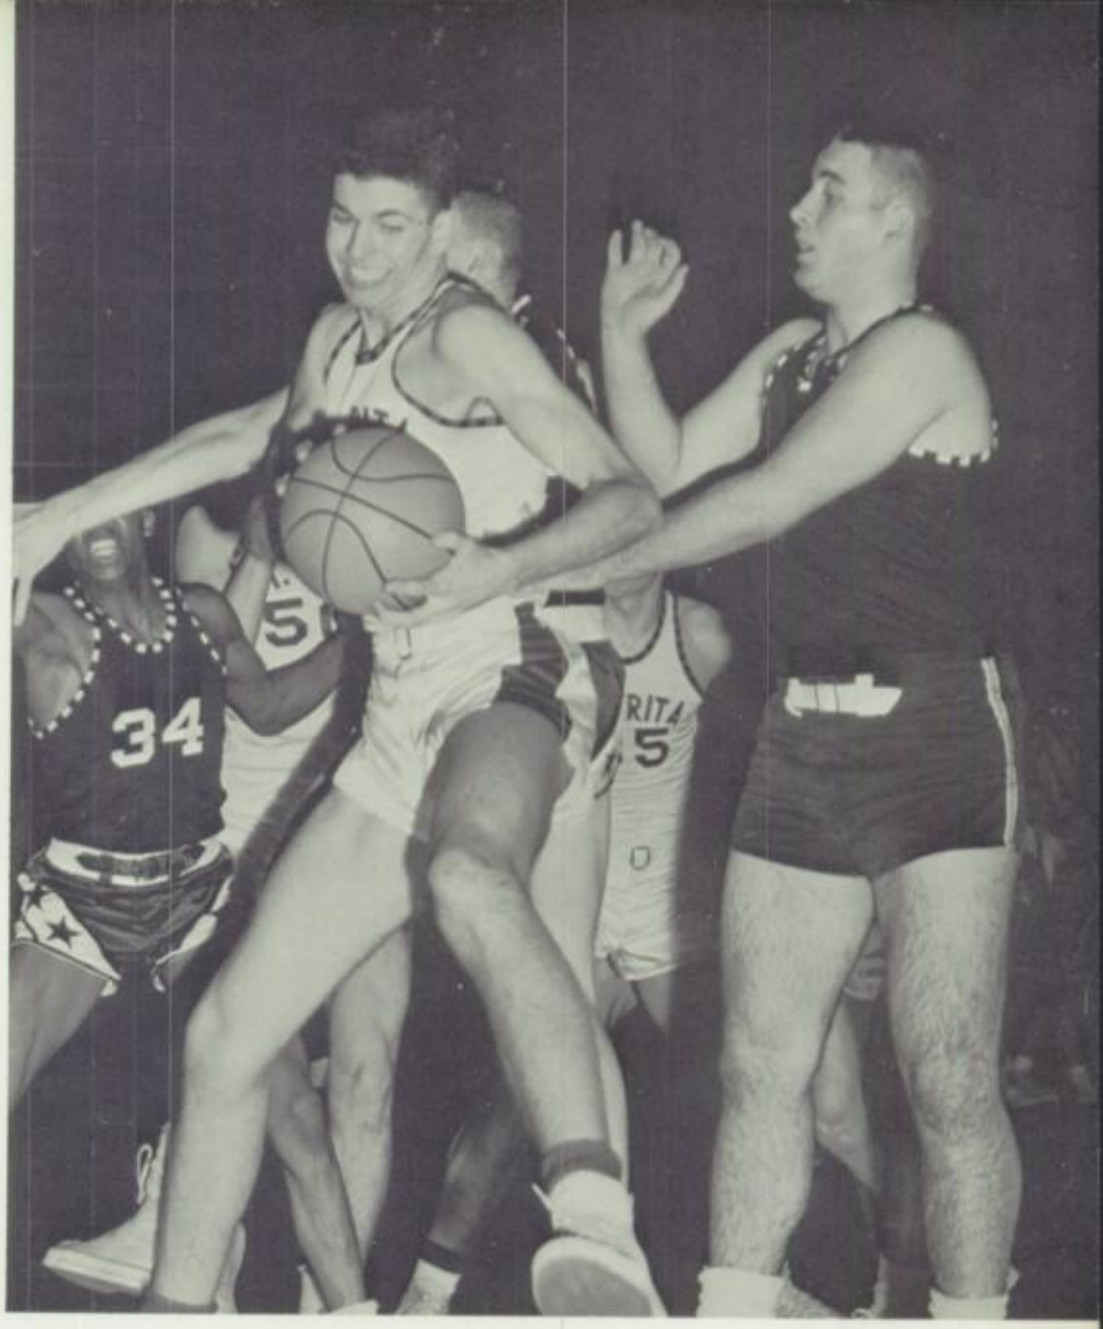
St. Rita 48 Brother Rice 67

7th League Game

Our second defeat of the campaign came from the Crusaders of Brother Rice. Although we were up by a point at the half, the Crusader barrage in the second half proved to be too much for us. Bill Daly led the Ritans with 18 pts.



Mendel players can do nothing as Bill O'Brien comes down with the ball.



The ball belongs to the Mustangs as Phil Ross, Bill Daly, and Lou Sipich fight for it.

Though down by two at the end of the half, the Mustangs took over the game in the second half to win by a score of 61—51. George Janky led all scorers with 26 pts., and special credit must be given to the alert play of Mike Mueller and Bill Daly.

St. Rita 72 — Gordon 59

Catholic League Championship Game

The Mustangs grabbed a quick lead in this game and increased it to ten points at the half. Gordon came back to take a one-point lead in the last quarter, but the Mustangs poured it on the last three minutes and were up by 13 in the end. Bill Daly, George Janky, and Joe Gardner shared scoring honors, scoring 21, 19, and 18 points respectively.

Bill O'Brien almost loses the ball to get a rebound.

Mustangs Lose to Carver in City Championship

St. Rita 35 Carver 53

City Championship Game

Carver grabbed a quick lead and started to stall. The Mustangs were forced to foul to get the ball, and this proved to be our downfall as we lost two of our starting five in the last quarter. Bill Daly had 11 and Joe Gardner 9 for the Mustangs.

Over 1,400 Rita students were at the Chicago Stadium to support the Mustangs in the City Finals.

Coaches Ed Galvin and Bob Kopecky can take credit for the outstanding performance of the Lightweights.

St. Rita 59 — Mendel 53

St. Ignatius 60 — St. Rita 54

10th League Game

The Mustangs, fighting desperately for a playoff berth, were behind by 14 as the half. A fine comeback which brought them within one basket was not enough to stop the South Section champs. High scorers were W. Williams, 19, J. Dorsey, 16, and J. Gardner, 10.

After practicing in the Marquette Park courts, the team will compete for first place in the Catholic Tennis League. St. Rita will be represented by teams in both the Frosh-Soph and the Senior Divisions. Returning veterans will include Chuck Vaisnoras who was undefeated in doubles last season.

In the Catholic League, St. Rita will face Brother Rice, Mendel, Mount Carmel, and Leo for the South Section title. The team is looking forward to another exciting season.

Frosh-Soph Squad Posts 17—2 Winning Season

The Frosh-Soph squad has had an exceptionally good season this past year. Most of the games were won with margin of safety in the scores. A combination of superior pitching in addition to good fielding and hitting produced this fine record. This year's team played five more games than last season yet their defeats were lessened.

The annual golf tournament saw Ted Budz win the Senior division and Bob Lawrence the Junior division. Finishing close behind were Dennis Piotrowski, Ed Mihalik, and Frank Pavlica.

The South Section Championship was decided among Brother Rice, Mendel, Leo, and St. Rita. The Senior team was led by Bob Lawrence, South Section Medalist, and captured the South Section Championship by beating Brother Rice by two strokes, 311 to 313.

The Mustangs Senior team entered the Catholic League Tournament with the hopes of beating Loyola. The members of the South Section Championship team played well but the North-siders squeezed to win.
